

## Uniform update – 2018-19 season

As we count down to the opening of our 2018/19 Season, we are sharing details of how to order and pay for our fantastic new uniforms.

Our fresh new look is not only about making our athletes & materials look resplendent, but also delivers on the aspect of Sun Safety with t-shirts now being part of our Uniform code. We think they look very smart & hope you will too (special thanks to Catherine Ashley for spearheading this).

**Don't worry if you still have a uniform from last year that fits**, we are allowed to continue use of the old uniform in parallel with the new one through seasons 2018/19 and 2019/20. Beyond that, you are still welcome to wear the old uniform for club meetings, but will be required to wear the new uniform for representative carnivals (Zone, Regional, State, State Multi, State Relay, etc). **We have some current uniform stock on sale for super special rates!**

Go to the following link to order and pay for your uniforms online. If you order online before 16 September then you will make our first bulk order cutoff and with no delivery charge. Orders will be shipped to our Centre and made available for collection around Sat 12 October. Athletes can wear what is comfortable in the meantime.

Orders after this date can still be made online, but will be with delivery to athletes direct and at a small additional cost.
