

TRIAL ATHLETE - NDLAC

Welcome to Northern Districts Little Athletics Centre

Athletes may trial with our centre for one week at no cost during our regular Saturday morning competition meetings during September at Foxglove Oval, Mt Colah. After this initial week, you will be asked to register with our Centre and pay the appropriate registration fees before being allowed to participate further in competition. If you or your child feels another week of trialling is required to be able to judge whether or not you wish to register, please speak with our Registrar or another Committee member at the Registrations desk before participating.

Trialling athletes cannot be considered for representative teams until they are fully registered and paid with our Centre and LANSW.

Parents/Guardians should be aware that while your child is attending NDLAC competitions you are required to remain at Foxglove with them at all times.

ATHLETE'S DETAILS:
